Schedule:

4th Sat: August 26 @ Auld Pavilion, 1650 Memorial Dr, Lincoln

1st Sat: September 2 @ Auld Pavilion, 1650 Memorial Dr, Lincoln

Omaha: September 16 @ Seymour Elementary, 4900 South 79th, Ralston -
Construction is all done!

Note: The 4th Saturday dance this week may be the last one for a while. Typically, it is not as well-attended as the 1st Saturday dance. We've had it at an alternate location, sometimes because the Auld was booked, but also because the rent is less expensive. We need to make a little bit, or at least break even, in order for this wonderful dance event to continue, and that doesn't always happen at the Auld. Please invite your college friends that are back in town, your neighbors, and coworkers. Anyone can learn the basic dance moves at the 7pm lesson. Maybe you haven't come in a few months or a few years. With Fall here again, you can once-again make it a regular habit! Exercise, socializing, laughing, dancing, good live music, snacks, and, of course, fun! Don't miss it!

Dance Weekends!

This is a wonderful opportunity to dance more than you are able to at a Saturday dance, and to get away for a weekend. The schedule for most weekends includes:

- * Friday night dance
- * Friday after-dance get-together
- * Saturday morning Contra / waltz / workshop / other dance
- * Saturday afternoon Contra
- * Saturday evening Contra
- * Saturday after-dance get-together
- * Sunday morning potluck brunch
- * Sunday morning/noon Contra

Take off a half or whole day from work/school on Friday to drive there, or even just show up Saturday morning, and drive back Sunday afternoon. There are generally discounts for early registration and if you pay for the whole weekend, or you can pay for just the parts of it that you choose to attend. Most weekend events even have the opportunity available for free housing in local dancers' homes, if requested in time, which helps with the overall cost of the event. Reply to this email if you would like assistance finding someone to carpool with.
